Youth Group: will meet Sunday doing poster for Feb. 23-24 and working on service project and will invite 8th graders after Feb.

Formed: The Diocese is offering this to all parishes. We will receive a code by which you can access for free a wide selection of resources about our faith (Kendel books, audio books, pod casts, CDs, films for all ages, FF study areas, Bible studies, retreats, the catechism, etc.). Family and friends in the military may also access Formed using the parish code.

Knights: Free throw went well. Saturday may be a better day for it.

Music: There was an insert in last week's bulletin. Music committee will meet in March to review progress.

St. Vincent de Paul: Undie Sunday is Feb. 9-10. Ten more people have joined the society in ministering to the poor.

Directory: Pictures will be taken in the vestibule, after Masses March 2-3, of those who have not yet had pictures uploaded. Explanation will also be provided on how to access the on line directory. We want to get as many people as possible before printing a hard copy.

Security: Cameras were installed on the rectory along with new outdoor lighting. More secure doors are also being installed.

Electronic Sign: Council will explore options for changing our parish sign to an electronic format.

Sunday Communion to shut-ins: We could really use more volunteers for the rotation of ministers who take communion to assisted living and those unable to leave their homes. This takes place after the 8:00 Mass with different ministers each week. If willing to serve, please contact Fr. Bob.
