Pastoral Council

Youth Ministry – Kellie George has resigned and Pastoral Council has begun a discussion of how to meet this important need.

St. Vincent de Paul will host the regional fund raising walk here in September, Blanket Sunday in October and Veterans Mass and reception in November.

Parish Picnic – Thank you to Bridget Mullins for organizing the event. Over 300 have signed up. People can come without a ticket and contribute their \$5 that day or drop it off at church.

Parish Financial report will be presented the weekend of the picnic.

Welcome cards have been printed and are at the church entrances. They are based on a card from another parish and make clear despite the differences among people we are all God's children and welcome in his house.

The new parish directory will be going for printing shortly. Thank you to all who worked on this especially Ron and Melissa Ralston.

Norton police will address Council on security in churches and schools.

Council approved Kathy Maples request to bring Acupuncturists Without Borders to the parish. This is a program for veterans suffering with PTSD.

New exterior doors are needed for the school. They are original to the building and beginning to break down.

Pastoral Council will be setting priorities for the parish and focusing on nourishing the spiritual growth and well-being of all age groups in our parish.

New mugs were ordered for the hall but the company has not responded to our email. We will contact them again, and if no response will look for another source.
