Here's What We Did Last Year With Your Help!!

The St. Vincent de Paul Society (SVDP) of Prince of Peace is part of a worldwide network of local neighborhood volunteer groups whose members live out the Gospel using St. Vincent de Paul and Frederic Ozanam, our founder, as models. The Society provides person to person service (e.g. home visits, personal contacts with people in need) regardless of their religious affiliation in the Barberton area. This assistance includes temporary emergency help (e.g. rent, shelter, utilities, food etc.) to low income, hurting families to help them survive. Overhead for the SVDP operated by volunteers, is less than 2% which means over 98% of your gift helps the needy in our area.

In spite of the Covid 19 Pandemic In 2019-20, Prince of Peace St. Vincent de Paul Society helped people in our area in the following ways thanks to the generosity of our parishioners.
